Peter Domagala, D.D.S.

To whom it may concern,

I am a small business owner in Gurnee Illinois, who was getting killed with commercial property taxes. Ron and his group at Lake County Appeal, really went to work for me from start to finish, I needed to give him very little information and his company did all the work. He was successful in getting me a reduction in my property taxes two evaluations in a row, with the second being almost $\frac{1}{4}$ of my entire tax bill. I would strongly recommend Ron Kingsley at Lake County Appeal, you need them on your team!!
