

Lake County Appeal

Going to bat for the citizens
In this arena of Lake County,
When tax collectors seem to feel sure
All within it possess great bounty.

With perseverance and honesty
You stand for justice and what is right,
You aren't afraid of such a challenge
And you're ready for an honest fight.

So whatever happens with my taxes
I can rest assured you've done your best
And I know no matter how it goes
Having you on my side, I am blessed!

By and from,

Sandy Dickson
